SMART PPC · SINGLE-PRODUCT AUDIT

W7

W7 Beauty Blast 2026 Makeup Advent Calendar - 24 Cosmetic Treats

amazon.com Prepared 2026-10-21

On Amazon US the 2026 calendar sits in the wrong category and has almost no ad support, in the biggest weeks of the year for a search with 3.8 million monthly searches.

PRIORITIES

What I would do first

1

CATALOGUE

Move the 2026 calendar out of Home Décor

On amazon.com the 2026 calendar is listed under Home & Kitchen > Home Décor Products, while last year's edition sits in Seasonal Décor > Advent Calendars and the UK listing is in Make-up Sets. The wrong category hurts its rank and how Amazon matches it to calendar shoppers.

▼ What we saw

- B0GTRFKFV5 (US): Home & Kitchen > Home Décor Products, sales rank #6,663 (Keepa)
- B09RKF8DQK 2025 edition (US): Home & Kitchen > Seasonal Décor > Advent Calendars
- B0GTRFKFV5 (UK): Beauty > Make-up > Make-up Sets

2 ADVERTISING

Put ad support behind it

Only 1 of its top 30 searches has a W7 ad, and that one is 'stocking stuffers for teens'. It ranks #3 for 'beauty advent calendar' (66.8k/mo) and #6 for 'beauty advent calendar 2026' (99.4k/mo) with nothing behind it, right in peak season.

▼ What we saw

- Sponsored coverage: 1 of top 30 keywords (Jungle Scout)
- beauty advent calendar 2026: 99,424/mo, organic #6, no sponsored rank
- beauty advent calendar: 66,752/mo, organic #3, no sponsored rank
- amazon beauty advent calendar 2026: 73,498/mo, organic #7, no sponsored rank

3 ADVERTISING

Go after 'advent calendar 2026'

'Advent calendar 2026' gets 3.8 million searches a month and the calendar sits at #35. A top-of-search campaign, alongside the category fix, is the quickest way onto page one in the next eight weeks.

▼ What we saw

- advent calendar 2026: 3,848,176/mo, organic #35, no sponsored rank
- adult advent calendar 2026: 95,659/mo, organic #46

COMPETITORS

Who is taking the clicks

Share of voice across category searches

Ads on their brand name

No competitor ads seen on their brand name in the searches we ran.

AMAZON MARKETING CLOUD

Path to purchase and repeat buying

Repeat-purchase signals: low (Subscribe & Save on 0% of ASINs, multipacks 0%, non-consumable category).

What we expect AMC to show

- Most US calendar buyers will be new to W7, which makes the calendar a cheap way to win new customers for the wider range.

Questions we would answer in week one

1. How many US calendar buyers are new to the brand?
2. Do they go on to buy W7 make-up on Amazon US?

METHOD

How this was put together

Built from public marketplace data (Keepa, Jungle Scout, DataForSEO, Amazon catalogue and bid recommendations) on 2026-10-21. We have not seen this brand's Seller Central or advertising account, so spend and budget figures are estimates.

Budget model: search volume × 12% of searches producing an ad click × target sponsored share of voice by tier × CPC benchmark, plus 10% for remarketing.

▼ Data gaps in this run

- images: can't reach m.media-amazon.com (<urlopen error Tunnel connection failed: 403 Forbidden>); add it to Allowed domains
- spapi.items: SP-API not configured
- ads.bids: Ads API not configured; using Jungle Scout PPC bids
